

An Lester Trumach - The Packet Ship

Dear Parents and Carers,

The children have had a wonderful first week back at school and they have already got stuck into this term's learning. Each class has launched their topic; Reception class are on a quest to find Mayrundo Cheese, Class 1 have met the Jolly Postman, Class 2 have been to visit King Edward's Mine, Class 3 have made a collage going underground, Class 4 have been Roman citizens, Class 5 have had adventures with ice and Class 6 came to school on broomsticks! This term we will see our children's learning transported to amazing locations and moments in time. Hearing the children talk enthusiastically about their learning is a real treat. Your child will be bringing home a **Curriculum Information** sheet this week, so please take some time to discuss the illustration with them and then you can go on the learning adventure together!

Marlborough School's Illustrated Curriculum Spring Term 2025

Learning Out and About and in School

Sunrise Celebration – Last week's rain put a delay on the sunrise... but we'll try again this week. You are invited to join us on Swanpool beach from 7.15am on Friday 17th of January to welcome in the new year. Please remember that for this event you are in charge of your own children. Any musicians are welcome to perform. Bring a flask and breakfast!

Attendance and Punctuality

Please remember that attendance at school is vital, unless your child is too ill to attend. As we enter the season of coughs and cold, please check using this link if you are unsure about whether your child should attend or not: [Is my child too ill for school?](#) The school bell goes at 8.30am and all children should be in by 8.40am. Punctuality is so important to starting the day with an organised and positive outlook so please help your child get into school on time so they can be settled and ready to learn.

Parking

We are so lucky at Marlborough that our catchment is small, and therefore most people walk, cycle or scoot to school. If you do need to drive, please park on Silverdale Road and walk up the hill. Ferndale Road is narrow, twisty and steep and when cars are manoeuvring outside of school it could easily lead to a collision. Do not pull up onto the zig zags as this reduces visibility for pedestrians and other road users. Many thanks.
